◦ Animator Experience ◦

The Mill, Senior/Lead Animator

September, 2017 - Current

Animated 3D cartoony to hyper-realistic characters, creatures, and assets on diverse projects and led/supervised team animation. Animated the world's most famous IPs fit into the character's bible under high quality production and collaborated with world-class companies and agencies. Cooperated with other team leads, deeply understanding the entire production pipeline to get work done efficiently and smoothly. Restored jobs and set up the scenes to assign shots to animators based on their specialty.

Worked closely with Directors and Clients to ensure passing on their super-vision to Animators.
